A 300-pound fish is some fish, but B. Daniel, who, with E. H. Pigg, has just returned from a fishing trip along the Gulf coast at Corpus Christi, Aransas Pass and other points, claims to have caught a fish of that size near Aransas Pass. It was what is known as a Jew fish and Mr. Daniel said it was a hard job he and his companions had in landing the water monster. Mr. Daniel had pictures taken of his catch and he promises to show these to friends as evidence of his claims. Local fishermen are saying that this beats any catch that C. S. McCulloch ever made, and the latter will admit that he is some fisherman.

Only one block of paving remains to be laid before the contract with J. P. Foy by the city is complete. Pouring concrete on the two blocks on West Texas street was completed yesterday. South Main was opened to traffic last week and Fannin Street will be opened within a week or ten days and then a little later it will be possible to open the block on Cumberland between Texas and Olive. Everything is in readiness to begin laying concrete on Peace street between Cumberland and Mesquite. As soon as this work is completed Mr. Foy will move his crew and machinery to Harrold to begin laying concrete on the highway between that place and Electra.

The Vernon Auto company this week received their first consignment of the new 1926 model Buicks. Visitors to the sales rooms have been numerous and Manager Bob Crews is looking forward to a good fall business in his line.

Local headlight testing stations are being over-run with car owners who failed to have their headlights tested and adjusted before the law became effective September 1. Of course, those who operate their cars now without first having the lights tested and adjusted are violating the law and are subject to arrest, but officers have been lenient thus far. Arrests, followed by fines will be the lot of those who fail to comply with the law, however, in the future, it is stated.

"Tell the people we'll have one of the best fairs in the history of Vernon," said R. H. Coffey yesterday. He is busy with preparations for the annual fall show and declares that a good string of race horses has been booked and a better list of carnival and midway attractions than has been engaged for a fair here. The catalogues are out and the people interested in making exhibits are urged to call for them.

Crowds Increase Here at Baptist Revival Meeting

Attendance at the revival meeting being held at the local Baptist church appears to be increasing each service. Additional seats have been placed behind those in the big tabernacle and a large part of the crowds are unable to get in the tabernacle.

Rev. W. Y. Pond of Dallas, who has charge of the services during the revival, is proving himself one of the most energetic evangelists ever welcomed to this city. In addition to the morning and evening services held at the church tabernacle, services are held down town each afternoon.

Subjects for the coming services are: Friday night, "The Bed Too Short and the Blanket Too Narrow"; Saturday night, "A Flaming Message for a Freezing World"; Sunday night, "The Greatness of Salvation."

The revival will continue next week.

LIONS TO PLAY MEMPHIS HIGH TEAM DURING FAIR

Arrangements have been made for a football game between the Vernon Lions and the Memphis High school team here on the closing day of the fair. Memphis is a strong contender in the Class B division of the interscholastic league last year, and is expected to give the locals a hot contest this year.

Coach Baggett is expected to arrive this afternoon and begin arrangements for the opening of football training here Monday morning.

PAULINE MAE CAMPBELL BURIED AT CROWELL

Pauline Mae Campbell, 5, daughter of Mrs. R. H. Duke, died Friday at the home of her parents here, after an illness of several weeks from typhoid fever. Interment took place Sunday at Crowell by the side of her father. She is survived by her mother, stepfather and four brothers.

FIRE INSPECTOR SCORES VERNON IN VISIT HERE

Praises Fire Fighting Equipment, But Says City Should Fight Fires Before They Start—Critiques Conditions in Business Houses.

E. R. Miller, inspector in the State Fire Marshal's Department of Austin, has just completed a survey and inspection of general and individual conditions in regard to fire hazards in Vernon, and he states that he has little praise to offer the citizens of Vernon. His visit was unheralded, and he caught Vernon unawares, inspecting the city at its worst.

Mr. Miller expressed himself as highly gratified at the fire equipment and the efficiency of the fire department in general, yet he said that the system of fire precaution should prevail instead of fire fighting. He pointed out that the city's greatest need was to fight fires before they start.

Conditions in the business houses as well as conditions in the alleys were scored by the inspector. He stated that a great deal of trash and rubbish, dead grass, weeds, boxes and excelsior were noticed in the alleys. He also mentioned the fact that a large quantity of waste oil is poured out in the rear of garages, while in close proximity to a trash fire without any semblance of a safeguard. He stated that considerable gasoline was found in open buckets in garages only awaiting a favorable opportunity to cause a fire or perhaps a conflagration.

The inspector announced the trash burning habit which is in vogue here as one of the greatest fire hazards of the city. He stated that the habit was practiced all over the city, and at all hours, in spite of the fact that it is a violation of the city ordinance.

Mr. Miller stated that he found very few regulation metal trash cans, but in place of these he found numbers of wooden barrels, wooden boxes, or even paper carton boxes in use for trash receptacles.

In general he praised the electric wiring, and conditions relating to it. However, he named a number of defects.

Mr. Miller summed up the situation by saying that the people have lost sight of fire conditions to some extent, perhaps owing to the fact that these matters have not been properly brought to their attention. Vernon at one time enjoyed a good fire record credit of 15 percent on fire rates, the inspector pointed out, and if this record were attained again, it would mean a saving to the people of Vernon of approximately \$15,000 to \$20,000 a year.

Miss Thelma Wells Injured in Auto Crash Here Today

Miss Thelma Wells, oil operator here, and Miss Laura Brady, were painfully bruised about 2 o'clock this afternoon when a car in which they were riding with J. E. Brady struck a curb in an effort to avoid a collision with another car at the intersection of Main and Paradise streets. After examining both young women, physicians stated that neither were seriously injured.

The accident occurred when Mr. Brady jerked his car to the right while going north on Main street in an effort to avoid a car going east on Paradise. The collision was a minor affair, Mr. Brady stated, as the major damages came as a result of his car striking the curb.

AGED MAN DIES AT OKLAUNION YESTERDAY

W. T. EVANS, 72, died yesterday at his home on the J. S. Buchanan farm, south of Oklaunion, after a long illness. The body was taken to Bowie today, accompanied by his widow and son, G. M. Evans and interment will be made there. He is survived by his widow and several children.

OLD RESIDENT OF COUNTY DIES IN WASHINGTON

Word was received this week of the death of Tom Nallen, aged resident of the southwest part of the county, at Washington, D. C., last week. Some months ago, in company with his sister, he went there for his health. He was buried there.

MRS. HENRY GLASIRIS

Out of a clear sky, Mrs. Henry Glasiris, of New York, hired an aeroplane, dropped down on her husband, who was returning from Europe on the S. S. De Grasse, and served him with a summons for contempt in his failure to pay back alimony.

INSTITUTE TO OPEN MONDAY

150 TEACHERS OF COUNTY WILL GO TO WICHITA FALLS.

Approximately 150 teachers of Willbarger County will go to the joint county institute which opens at Wichita Falls Monday, according to L. A. Holler, county superintendent. Only about six teachers have been excused from the institute. The coaches of the athletic teams of the Vernon high school have been excused in order that they may start fall training.

Mrs. H. B. Farrell, primary teacher in Central school of Vernon, is scheduled to take part in the instruction work at the institute. She will have charge of primary instruction.

On the program for the high school department of the institute are a number of the most prominent educators of the state, including S. M. N. Marrs, state superintendent of education; Dr. Lindsay Blayney, president of the College of Industrial Arts at Denton; T. H. Shelby, Dean of the Extension Division of Texas University, and A. W. Evans, chief high school supervisor.

All teachers of the counties of Willbarger, Foard, Wichita, Clay, Archer, Baylor, Cottle and Hardeman are expected to attend. About 1500 teachers are expected.

Local educators have praised the program of discussion offered this year as the subjects to be discussed are those that are of every-day interest to the teacher in the school room. The institute will hold sessions throughout next week.

Vernon Masons to Aid in Dedication of Electra Hall

A number of Vernon Masons have announced their intentions of going to Electra next Wednesday evening to take part in the dedication ceremonies for the new Mason hall of that city. State Grand Master Guinn Williams will have charge of the dedication ceremonies which will begin at 8:15 o'clock. Announcement from Electra state that the new hall will be open to the public from 5 to 7 o'clock Wednesday afternoon, during which time talks will be made by prominent Masons of the state.

A large crowd is expected to take part in the dedication ceremonies.

Leave for College. Miss Louise Baird and Miss Vera Scales left yesterday for Maryville College, near Knoxville, where they attended college last year. School opens September 7.

BRYANT GIVEN TWO YEARS IN MURDER TRIAL

Jury Finds Defendant Guilty of Manslaughter After Heated Argument of Attorneys During Night Session—Verdict Returned Wednesday.

David C. Bryant was found guilty of manslaughter and sentenced to two years in the penitentiary by a jury in district court here yesterday morning in the case in which Bryant was on trial in connection with the shooting to death of Harry A. K. Hagen here on January 22. Defense attorneys immediately filed a notice of appeal.

The case was one of the most hotly contested legal battles witnessed in the local court room in some time. Night session was held by the court Wednesday night in order to complete the case. Lawyers of both sides made spirited appeals for their viewpoints. District Attorney John A. Storey, denouncing the whole affair as an exhibition of jamaica ginger. He outlined the case briefly, attacked the veracity of some of the statements that had been made by character witnesses in regard to the dead man, and ended his appeal by asking for "the most severe penalty of all."

Defense attorneys, J. V. Leak and Cecil Storey, centered their appeals on the court's charge, pointing out that it stated that if Bryant thought that Hagen had a knife in his hand when he started toward Bryant just before the fatal shooting, he was not guilty of murder. Defense attorneys also attacked the district attorney's version of the shooting from practically every angle, using the written testimony of the witnesses to refute the statements of the attorney for the state.

Attorneys completed their arguments Wednesday night, and the case went to the jury. The verdict was returned about 10 o'clock Thursday morning.

Testimony introduced indicated that Bryant and Hagen, who had been living in a three-room house together, had disagreed before the evening of the fatal shooting. Some controversy had arisen in regard to a joint grocery account which the two had been keeping. It was brought out, Bryant had made arrangements for other quarters, and went to the house for a trunk just before the fatal shooting, testimony indicated. While Bryant was at the house this disagreement arose over a box of paint or rouge, resulting in the shooting, in which Hagen was killed by a shot in the neck.

In Dallas Hospital Mrs. J. Shirley Cook, who underwent a serious operation at the Baptist hospital, in Dallas Tuesday is reported to be improving and her condition is satisfactory, attending physicians say. Mrs. Cook has been ill for several weeks.

New Departments Are Listed in Catalogue of Fifteenth Annual Fair To Be Mailed Out Today

A number of new departments have been listed in the catalogue of the fifteenth annual fair which has just come off the press. Two departments, textile and culinary, have been discontinued and the money usually given as prizes in those departments has been placed for use in the community exhibits department.

One of the new departments listed this year is that of the home demonstration club, under the control of Miss Emma Gunter, home demonstration agent for this county. September 17, the second day of the fair has been designated as club members day, and all members of county clubs will be admitted free that day on passes signed by Miss Gunter or County Agent P. D. Chaney. In connection with the county clubs, a number of free trips to the Dallas Fair this fall will be given as prizes to club members winning high honors.

The catalogue gives especial emphasis to the community exhibits department. R. M. Fleider, secretary of the local Chamber of Commerce, has charge of this department, and every effort is being made to make the department the largest this year that it has ever been. He reports that the farmers of the county are showing a lively interest in the proposed exhibits. Listed as likely exhibits in the department are: Corn,

DARDEN SELLS CAFE INTEREST

GUS VOLOS RETAINS INTEREST AND WILL BE MANAGER OF LIBERTY.

A deal has been closed here by the terms of which George Darden disposes of his controlling interest in the Liberty Cafe to Loyd Darden, his brother, and George Soffon, chef and cafe owner of Wichita Falls. Gus Volos, who has been part owner with Mr. Darden in the business, retains his interest and will be active manager in the future.

Mr. Darden came here about two years ago from Cisco and purchased a controlling interest in the Liberty from Steve Mayord. He says he has no intention of leaving Vernon, but has not announced any business plans for the future. He admitted, however, that he did not expect to be out of some kind of business in Vernon very long.

The new owners took charge of the business yesterday.

VERNON BOY TRAINING FOR FOOTBALL TEAM

George Goetze left this week for Hollister, Mo., where he will join other recruits in football training camp of Kemper Military college. George will enter Kemper this fall. He and one other student are there from Texas to try for places on the eleven.

LANDRETH MAY ADD HALF MILE SOUTH OF POOL

Well in Section 43, Block 4, Has Good Showing From Deep Pay—Two Humble Holes Are Showing Considerable Oil.

E. A. Landreth's No. 1-A, located in 43, block 4, Waggoner lands, promises to make one of the best extensions to the local fields recorded recently. The well topped the sand at 1827 feet, and has an excellent showing from seven feet of rich sand. The well is located half a mile south of the Dyson producer in the southwest part of section 46, and will add that much to the producing territory of the county. The well struck the sand yesterday morning, and preparations are being made to lower casing and test. It is expected to make a good producer.

Landreth's No. 3-B, located in the northeast quarter of section 52, block 2, bids fair to be a good producer from a sand encountered at 2082 feet.

Humble Oil and Refining company has two wells with excellent showings this week. No. 30 Stephens, located in section 83, block 14, has a hole part way full of oil from a sand encountered at 2361 feet. Bailing has started, and preparations are being made for a test. No. 2-D, located in section 50, block 14, in the Gulf-Levy territory has a good showing from a sand hit at 1768 feet. The company has started bailing, and the well is showing considerable oil.

Atlantic's No. 5 Zipperle has finally been placed on the pump, and is making about 50 barrels from a sand line at 2360-2386 feet in section 80, block 14. This well was started several months ago, and has had a varied record. It was a small producer from the 1300-foot pay at one time. Later it flooded with water near the 1800-foot level. No. 3 Zipperle is drilling past a last reported depth of 2190 feet and is expected to pick up the 2300-foot stratum in a day or two. This well also produced from the shallow pay.

Atlantic's No. 2 Siger, located in the center of the northwest quarter of section 52, block 2, near the old Siger discovery well, is reported drilling below a last reported depth of 1200 feet.

Club Girls Will Have Exhibits at County Fair Here

Assurance of a Club Girls exhibit at the county fair which is to be held here September 16-19, has been made by Miss Emma Gunter, home demonstration agent. Miss Gunter has issued a call to all club girls who were enrolled this past year and did any club sewing or canning, asking them to bring articles on which they worked to her office next Saturday, or the following Saturday.

Preparations are being made to label all articles. Girls who have some project started, and need help are advised to ask aid of the home demonstration agent at once in order that everything may be completed before the opening of the fair.

Miss Gunter states that all exhibits will require a record book, giving a short outline of the year's work.

BURGLAR CHOOSES JUDGE'S HOME FOR ROBBERY HERE

A burglar chose the county judge's home on West Wilbarger as the scene of his exploits early Wednesday morning. In keeping with the stories that usually follow a burglar's visit in Vernon, Judge J. V. Townsend missed a pair of trousers. The judge was awakened by the intruder, but the burglar made his escape.

RIG WORKER HURT IN SOUTH VERNON FIELD

Bert Flat, employee of the Humble Oil and Refining Company in the South Vernon field, was seriously injured Tuesday afternoon when struck in the stomach by a jack pole while scrapping a rig. The pole knocked him back against the rig timber and he sustained internal injuries. He was rushed to a local sanitarium where an operation was performed. He is recovering rapidly, physicians state.

DELEGATION OF FARMERS HERE

AGRICULTURALISTS OF SIX COUNTIES SAY WILBARGER HAS BEST CROPS.

Traveling in cars on a sight-seeing tour through several counties, about fifty farmers of Baylor, Stephens, Hardeman, Knox City, and Wichita counties arrived in Vernon at noon Wednesday. They were banqueted here by B. G. Cheney, owner of the Miss Vernon Steam Laundry. They separated for their home counties about 1 o'clock Wednesday afternoon.

The farmers were enthusiastic in their praise of the crops in Wilbarger county. It was generally agreed that this section of the country had the best crops of any visited, in spite of the fact that the farmers had just come from the Wichita irrigated area. Members of the delegation said that the average the irrigated crops were not as good as those seen near Vernon.

The delegation, which included P. D. Chaney, local county agent, and a number of Wilbarger county farmers, inspected the Chillicothe Experiment Station Tuesday and Tuesday night during a visit there. They were entertained by a number of speakers from A.M. College, and other agricultural institutes.

The delegation left Vernon highly praising the hospitality shown them here. In addition to being banqueted by the Miss Vernon Steam Laundry all were given gasoline by Harris' filling station.

County's Initial Bale of Cotton for Year Is Sold

Wilbarger County's first bale of cotton produced by Ernest Karcher of the Hinds Community, and ginned at the Farmers' Cooperative gin here last Tuesday, was bought by Bennett & Long, cotton buyers, for 22 1-4 cents. The bale weighed 583 pounds, bringing \$129.71. A premium expected to total about \$50 will be given by the merchants of Vernon.

This is the smallest price that Wilbarger county's first bale has brought in four years. In 1922, the initial bale sold for 22 1-2 cents per pound, in 1923 it brought 25 cents a pound, in 1924 a peak of 26 cents per pound was reached for the first bale.

DISTRICT MEET OF ROTARIANS OPENS MONDAY

Eighty-Five Delegates From Cities of Forty-First District Expected to Attend—District Governor and International Director To Be Here.

The first official meeting of the new forty-first district of Rotary International will open in Vernon Monday morning at 9 o'clock in the form of a conference of executives. Local Rotarians are expecting about eighty-five visiting officials during the conference.

Walter D. Cline, district governor, will be present and will take an active part in the conference, he has announced. Harry Rogers of San Antonio, international director of Rotary who is heralded as the outstanding figure in the organization today, and who has been mentioned as the next national head, has announced that he will visit Vernon during the convention.

Local Rotarians are planning to make this first meeting of the district one to be remembered. Rotarians from all over the district are showing splendid cooperation, it is stated. One of the features of the convention is the model Rotary luncheon to be given Monday at noon by the Amarillo Club. This club is heralded as the best versed club in the state on etiquette. The Vernon Club will give their regular weekly luncheon on Tuesday.

Automobiles have been secured for the convenience of the visitors who may want to see the oil fields and other points of interest near Vernon. The machines have been placed in charge of Lacy Terrell and Charley Ladd.

Cities which have announced their intention of sending delegates to the conference include Wichita Falls, Lubbock, Amarillo and other leading cities of West Texas. Practically all cities in the northwestern and western portion of the state are planning to send a delegation.

A chuck wagon feed at Hill Crest Country Club Monday evening at 7 o'clock, and dancing at 9 o'clock are other features of the entertainment which will be offered.

Former Pastor Church of Christ to Return Here

Elder Thomas E. Milholland, former pastor of the local Church of Christ has again accepted the pastorate of the church here and his family is moving here from Bartlett this week, according to announcement of members of the congregation. The minister will not assume active duties with the church here until about the middle of October. He is engaged in a meeting at Rockwell now and has two more meetings scheduled in Tennessee and Alabama. Mr. Milholland resigned here last summer after serving as pastor two years, and it was with real regret that members of his own congregation and other Vernon citizens saw him leave for his new charge at Bartlett, and he will find a warm welcome awaiting him when he returns.

He preached here about a week ago and at that time the place as pastor was offered to him and was accepted. He is succeeding Elder W. Don Hockaday, who resigned. The minister never disposed of his property here, and will occupy his residence at 1826 Lexington street.

CONFEDERATE VETERAN INJURED HERE WEDNESDAY

W. M. Lawson, aged confederate veteran, was painfully bruised when he was struck by a car late Wednesday afternoon while crossing Wilbarger at the intersection of Main street. A local physician treated the bruises, and announced that the veteran was not seriously hurt.

Hold Family Reunion.

A family reunion, of the Brock family was held in the home of J. W. Brock of Farmers Valley, Sunday. A delicious dinner was served in picnic style to eight brothers and their descendants which numbered 167. The brothers are Marion, of Chillicothe, Wilburn, of Portales, N. M., Albert, of Tennessee, William and Wadley of this community, Lee of Vernon, Thomas Brock of Lubbock and another brother of Wheeler county.

William Desmond Here Saturday; 'Roughneck' Next

William Desmond is here tomorrow in his latest romance of the remaking of a man. "Straight Through," a stirring epic of the cattle country, a brave man's struggle among gamblers who knew no law of God or man, save the right of might. Desmond is supported by the dare-devil ranch riders famous for

their break-neck stunts the world over, also Ruth Stonehouse, Marguerite Clayton, Claude Payton, Albert J. Smith and others.

George O'Brien stars here Monday and Tuesday in the "The Roughneck" Robert W. Service's great novel of love, passion and adventure. How an outcast from civilization makes his triumphant climb back up the social ladder assisted by the helping hand of a woman. He is ably assisted by Harry T. Morey, Cleo Madison, and Annie Cornwall.

Shirley Mason in her latest starring picture, "Scandal Proof," is at

the Pictorium today for a one day run, and is one of the finest performances it has given the star in her long career.

With a highly emotional role, Miss Mason does herself credit and with the assistance of a capable cast, presents some of the most potent drama that has been seen on local screens.

The story of "Scandal Proof," an original one by Charles Kenyon, is that of a girl who, falsely accused of murder, clears herself with the aid of a man whose love she wins. If human beings were spoken of in terms of furniture, Marvin Lombach, who is one of the comedians in

Mack Sennett's latest Pathcomedy which is being shown at the Pictorium, might well be described as an over-stuffed model. Marvin, familiarly known as "Fat," weighs considerably more over three hundred pounds than he likes to admit, but nevertheless, is a good natured soul and is the cause of a lot of mirth-provoking incidents to be found in this new Sennett Star Pathcomedy.

Others in the cast include Ralph Graves and Olive Borden. Lloyd Bacon was responsible for the direction.

Rebekahs To Meet.

All members of the local Rebekah lodge are asked to be at the Odd Fellows hall tonight. There will be a special program and refreshments will be served. The contest is becoming interesting now and each night special stunts are given by members of opposing teams.

Mrs. Stella Hodges and son, John Henry, have returned from Denton, where Mrs. Hodges has been attending the North Texas Teachers' college.

Electra District Fair To Be Held September 15-19

Plans have all been completed for the Electra District Fair which will be held in Electra September 15-19, according to announcements from Electra. The fair will include five days of running races with purses totalling \$5,000 and \$1,500 in prize awards for numerous agricultural exhibits.

Two new exhibit buildings are now under construction at the W. T. Waggoner Estate race track, and are now nearing completion. One of these will be used exclusively for the showing of stock and the other will be devoted to the agricultural and miscellaneous exhibits.

Special invitations have been extended to the farmers and stockmen of Wichita, Wilbarger, Baylor, Archer and Clay counties, announcements state.

The races which will be held in connection with the fair will be larger than the opening races which were held in Electra the first part of July, officials state. Larger purses have been offered and already keen interest has been shown by the owners of race horses in the southwest.

WICHITA CASE UP FOR MONDAY

**LINDLEY GIVEN TWO YEARS
THURSDAY ON FORGERY
CHARGE HERE.**

The case of the State vs. C. M. Wagner, which is set for trial here Monday, in which the former policeman of Wichita Falls is charged with murder in connection with the killing of John W. Webb, is attracting considerable attention here. A number of out of town attorneys are coming to Vernon to take part in the trial.

The firm of Davenport, Cummings and Crain of Wichita Falls will assist E. H. Gipson, local lawyer, in the defense. J. V. Alfred of Wichita Falls will be lined up with District Attorney John Storey in the prosecution.

This case was transferred here from Wichita Falls. A special venire of seventy-two men has been called for the jury.

In court this week, Earle Lindley was found guilty of forgery and sentenced to two years in the penitentiary. He was tried for forging a check for one dollar.

The case of the State vs. Idella Young in which the defendant is charged with the murder of Lucy Watkins has been continued.

MRS. MOORE HOSTESS TO AVALON BRIDGE CLUB

Mrs. M. J. Moore of Main street was hostess Tuesday afternoon to members of the Avalon Bridge club and other guests at the first meeting of the season.

Three tables were played and Mrs. W. R. Moore won high score and was given a wall vase. Low score prize, a score pad, was won by Mrs. S. A. White.

A salad and ice course was served to Mrs. W. R. Moore, Mrs. P. W. Hendrix, Mrs. J. T. Glover, Mrs. J. G. Sherman, Mrs. A. Bailey, Mrs. Roy Abbott, Mrs. Homer Rogers, Mrs. Wilson, of Pampa, Mrs. S. A. White, Mrs. C. V. King, Mrs. M. L. Lovelace, Mrs. R. H. Smith, Miss Minnie King.

Miss Ruby Seals and Dallas Man Marry Saturday

Miss Ruby Seals, former Vernon girl, and J. D. Pittman, both of Dallas, were married Saturday in Dallas by Dr. Williams of the Grace Methodist church. The bride is a daughter of Mr. and Mrs. J. A. Seals and attended the local high school and is a graduate of a busi-

ness school in Dallas.

Mr. Pittman has his degree from Texas University and is a traveling salesman for a large flouring mill at Wichita, Kansas. They will make their home in Dallas.

Mrs. C. B. McCulloch and Mrs. A. C. Boger spent Wednesday in Wichita Falls.

Mrs. Frank D. Wilson left last week for a visit with relatives at Sioux City, Iowa.

Miss Sherrill and Dudley T. Wynn Marry in Dallas

Friends were surprised when announcement came yesterday of the marriage of Miss Thelma Louise Sherrill to Mr. Dudley Taylor Wynn of Commerce, in Dallas, Thursday morning, September 3, at 9 o'clock. Dr. Perrin of Westminster Presbyterian Church performed the ceremony.

Mrs. Wynn is the daughter of Mr.

and Mrs. R. B. Sherrill, prominent Vernon residents. She graduated from the local high school and attended Southern Methodist University in Dallas where she specialized in piano, pipe organ and expression. There she belonged to Zeta Phi Eta, an honorary oratorical society, and Lambda Rho, a social sorority. Last year she studied in New York City.

In Vernon, Mrs. Wynn has always taken an active part in religious and social life. She is a member of the Musician's club and the Dramatic club; for several years she was organist at the First Presbyterian church.

Mr. Wynn is a son of Mr. and Mrs. H. D. Wynn of Commerce, and the nephew of Mrs. M. K. Byrd of Vernon. His father is president of the Citizen's National Bank of Commerce.

Mr. Wynn attended the East Texas State Teacher College at Commerce. This June he was graduated from the University of Texas with an A. B. degree. When in the University he was a member of the Lambda band and an oratorical fraternity.

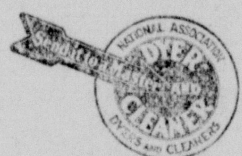

Mr. and Mrs. Wynn will spend the winter in Jefferson, where Mr. Wynn is head of the English Department of Jefferson High school.

G. W. Richardson and family have returned from an extended visit in the New England states. This is Mr. Richardson's first visit back to Lowell, Mass., in seventeen years. They had a delightful summer and found it cool enough to wear heavy coats. Some of the time was spent in the mountains and they made trips in Vermont, Massachusetts and Maine. Mrs. Richardson's daughter, Miss Cora May Baughin, spent the summer with relatives in Sweetwater and they all made a trip to Colorado.

C. V. King and Earl King left Wednesday for Dallas, where the latter is having a new buick coupe delivered. They will drive through.

POWER COMPANY ISSUES LARGE BOOSTER PAMPHLET

Southwestern Light and Power company recently issued a booster pamphlet entitled "Treasures of the Great Southwest," containing authentic information about the counties served by the company. The counties covered are: Hardeman, Clay, Wilbarger and Wichita in Texas, and Comanche, Cotton, Greer, Harmon, Jackson, Jefferson, Kiowa, Stephens, and Tillman in Oklahoma. Description of each county and of each town and city in these counties are given, pointing out the agricultural production, railroad and highway facilities, soil structure, rainfall, valuation of crops of the counties, and the public improvements, industrial institutions, and opportunities in the various cities. Particular emphasis is given to the Wilbarger county oil field.

Community Ice Cream Supper.

An invitation is being extended to folks interested in the new Northside community house to come to an ice cream supper, which is to be given there tonight. The new Community home is near the Frisco round house and the supper is being given to raise funds for fixtures and other things for the house. Everyone is invited.

Styles Feature Church Note

By Peggy Paige

THIS year is Holy Year in Rome and its influence is going to stretch out across the sea, straight into your Fall wardrobe. In fact, almost every change in style can be traced to the influence of current events of unusual interest to the public.

Pilgrims from the four corners of the earth are visiting the Holy City this year to attend the numberless ceremonies arranged by the Church at the three Basilicas and the opening of the door of St. Peter's with the golden hammer—a ceremony which takes place but once in a hundred years.

As a result of the world-wide interest in these ceremonies, there is a distinct Church note in fashions for early fall—"Cardinal" red, "Bishop" and "Pontiff" purple, the "Habit" brown of the monk's robe, and the popular new "Blue Pencil," the same blue that shades the robes of the Blue Sisters, whose beautiful little church stands at the top of the Spanish Steps in Rome.

Also, there's a "churchy" influence in sleeves—the loose pontifical sleeve with its tight, narrow cuff; and the wide, flowing sleeve of the bishop's robe. Yes, you're going to be a bit "Churchly" this fall.

BACK THE FOOTBALL TEAM.

Within a few days the lads who will be candidates for positions on Vernon high school's football team will begin working out in preparation for another great year under the red and white colors of the Lions. Vernon's gridiron hopes have been rising steadily for the past several years. Each year a better team has been put in the field than its predecessor, until last year the Lions were eliminated only by the state champions.

Every way of judging relative strength of teams indicates that Vernon had second best high school team in Texas in 1924. So if the standard of getting a little stronger team is maintained this year, a state championship is not too much to expect of the local lads.

But there are many things that go to make up a winning football team. There must be good material for the team itself. There must be competent coaching. The Record believes we are already assured of these. Most of our old men are back for this year. Our coaches have the experiences of last year to help them to strengthen the weak spots in the team. In addition to this they have spent practically the entire summer vacation studying under some of the greatest coaches in America. They ought to bring a lot of new ideas into play this year in their efforts to bring a state championship to Vernon.

One of the greatest factors, though, in turning out a winning team is school and town support. Every citizen of Vernon can help the Lions win this year. This can be done in many ways. A friendly word of encouragement to candidates for places on the team will help. Many of the local high school boys have to work outside of school hours to help pay their expenses. Business men can help the team by giving preference to those who work out.

side of school hours to help pay expenses. Another important factor is attendance at the games. Everybody who possibly can should attend every game played.

The athletic council can help stimulate attendance by providing seats for patrons at games played at home. There are many loyal fans who balk at standing for two hours, oftentimes in muddy ground, to root for the home team. If Vernon gets off to a good start we ought to have a number of important games played here. Good business would seem to dictate that seats ought to be provided.

FAIR PLANS MOVE FORWARD.

There is cause for congratulation that a group of progressive citizens in the Chamber of Commerce and the Fair Association have arranged for staging the annual county fair this year. The only possible fault that could be found is with the tardiness in getting definite plans formulated but this can be converted into an advantage.

Often a good job is not obtained because of the opinion that there is ample time to do it. It is not infrequently the case that the very shortness of the time allotted for a task gets results because there is no time to waste and no opportunity is afforded to forget or to postpone. Plans are about as well matured, even with the late start, as they ordinarily are two weeks in advance of the opening of the fair.

A good string of race horses have been secured to fill this important feature of a county fair. Carnival and midway attractions, better than usually available, have been booked. The adverse conditions in Central and South Texas and the consequent cancellation of several county fairs in those sections have worked to the advantage of this section in the matter of securing attractions on favorable terms.

Carnival companies are eagerly seeking dates in the more prosperous counties of Northwest Texas, and there was no difficulty experienced in securing desirable attractions of this sort. In fact, two companies are combining their shows for the Willbarger County Fair and fair visitors will be offered a greater variety of amusement features than has been provided at any previous fair in this county.

The agricultural exhibits will be more attractive this year, it is believed. Failure to offer prizes last year for community exhibits robbed the fair of one of its most popular attractions. Liberal prizes are being offered and there is every reason to believe that we will have one of the greatest fairs in the history of the county.

Mrs. Betty Moorhead and children, who have been spending the summer at Beeville, with relatives, returned home Saturday. They were accompanied by Ernest Leavett and family, who will make their home here.

Miss Veda Huddleston left Wednesday for Weslaco in the Rio Grande Valley where she will teach school this winter.

Mrs. W. B. Howell and children are visiting relatives in Memphis.

P. E. Clark of Southland is visiting his father, Rev. O. P. Clark. Mr. Clark will attend Southern Methodist University at Dallas this year.

Mrs. H. K. Greener and daughters, Miss Frances, and Mrs. Annie Scott, and daughter, Minnie Frances, and Mrs. W. M. Cuthfield and granddaughter, Miss Lenna Lethel Fisher, will return today from Colorado, where they have been spending the summer.

Mr. and Mrs. S. E. Honaker and children have returned from Panhandle, where they spent the summer.

Mr. and Mrs. A. A. Honaker returned recently from Redonda Beach, Calif., where they have been for several weeks.

Mrs. J. D. Linton, who recently underwent a serious operation at a local hospital, is resting nicely and will recover.

FASTEST SELLING CAR

of all the One-Profit Studebakers

INCREASED volume of sales—founded on Studebaker's policies of one-profit manufacture, and no yearly models—made it possible to reduce the price of this Standard Six Coach by \$100.

Already a wonderful value—a leader of the line—the lowest priced closed car ever sold by Studebaker—its previous low price has been cut one hundred dollars.

Many of the superiorities of this one-profit Coach are hidden until revealed by thousands of miles of usage. You can't see the fine workmanship and materials inside the engine and body which gives excess mileage. But here are some things that you can check against competitive cars to satisfy yourself that this is a Studebaker of the same fine quality as before the price cut—a Studebaker more up to date than the newest yearly models.

EXCESS POWER—According to rating of National Automobile Chamber of Commerce, this is the most powerful car of its size and weight.

WOOL UPHOLSTERY—Durable.

INSTRUMENTS—Including 8-day clock, gasoline gauge, speedometer, oil pressure gauge and ammeter, in single grouping under glass, on beautiful silver-faced dial.

FULL-SIZE BALLOON TIRES—For which the steering gear, fenders and even the body lines are specially designed.

AUTOMATIC SPARK CONTROL—No spark lever on steering wheel, but:

SAFETY LIGHTING CONTROL—On the steering wheel, at the driver's finger tips.

IMPROVED ONE-PIECE WINDSHIELD—Automatic windshield cleaner, weatherproof visor, rear-view mirror, attractive cowl lights and cowl ventilator.

CO-INCIDENTAL LOCK—To ignition and steering wheel, which serves to reduce the theft insurance rates—single key operates this lock as well as that on the door and the clever device on the spare-tire carrier.

COMPLETELY MACHINED CRANK-SHAFT—To obtain perfect engine balance and thus reduce vibration to a minimum.

There are only two cars manufactured on the one-profit basis: Studebaker in the fine car field, and the Ford in the low priced field. Only in these two cases does one company in its own plants make all bodies, all engines, all clutches, steering gears, differentials, springs, gear sets, gray iron castings and drop forgings.

Come in and see this coach. You will find it the same fine car as before the price reduction.

Miss Lacy Moore Bomar and Elbert Kimble, both of Vernon, were married Saturday in Chillicothe. Rev. Mr. Moore performed the ceremony at his home, there.

The bride is a daughter of Mr. and Mrs. Jim Bomar of Vernon and is a graduate of the local high school, class of 1925.

Mr. Kimble has lived here but a short time, and is in the employ of the Ray-Massie Oil company. Mr. and Mrs. Kimble are now at home at 2312 Mesquite street.

MEETING OF NEGROES TO BE POSTPONED

The meeting scheduled by the negro Baptists to be held Friday night at the Court house has been indefinitely postponed, because the singer will not arrive, according to the pastor, Rev. W. W. White and Rev. J. W. Bailey, field superintendent. They had received the endorsement of a number of the leading citizens of Vernon, who were interested in seeing that a negro church be built. The negroes had

pledged that \$1,000 would be laid on the table that night at the meeting.

The pastor and the superintendent have the following to say:

"The meeting at the court house for Friday night has been called off on account of not being able to get our singer here.

Rev. J. W. Bailey will preach his farewell sermon Friday night at the First Colored Baptist church at 8 o'clock. We hope to lay on the table our \$1,000 for our new church, just the same.

"We urge our white and colored friends to come and help us out. We are having open air services this week and reaching many people. We thank the County and District Judge and the Commissioners Court for the use of the court house last Sunday afternoon."

M. E. Young underwent an operation at a Vernon sanitarium Wednesday.

REPORT RAIDS OF LEAF WORMS

PESTS APPEAR IN FIELDS NEAR VERNON IN LARGE NUMBERS.

Reports from farmers in the Vernon vicinity indicate that leaf worms are appearing in the cotton fields in great numbers. They have been noticed in low lands in prac-

tically all directions from Vernon. Farmers in the outlying communities of the county say that no sign of the pests have been found yet. Preparations have been made here for an immediate and determined fight on the pests. A car of calcium arsenic has been ordered and is expected here momentarily. After visiting a number of farms near Vernon, R. M. Fielder, secretary of the local Chamber of Commerce, stated that he felt certain that the inroads of the pests could be stopped. P. D. Chaney, county agent, after inspecting a number of fields in which the worms have been working, expressed the same opinion, saying that if the arsenic arriv-

ed soon the pests could be placed under control. He stated, however, that all farmers should be on the alert, and ready to fight the pests at the first sign of their appearance. He advised farmers to use the arsenic sparingly as it is hard to obtain at this time of year.

Mr. Chaney said that farmers could rid their acreage of the worm at a cost of forty cents an acre in addition to their work with the calcium arsenic. He advised against using other poison.

METHODIST TRAINING SCHOOL DRAWS ATTENTION

Quite a bit of interest is being manifested in the Methodist training for Sunday school workers for the Vernon district which is to open at the local church, with registration next Sunday afternoon at 3 o'clock.

Classes for the school have been organized and subjects announced. They are: Organization and administration of the Sunday school, learning and teaching the pupils, missionary message of the Bible, life and letters of Paul.

Goes Chicken Hunting.

J. M. Underwood and John Hardison returned this week from Shannock where they visited R. E. Henderson. They went to hunt prairie chickens at the opening of the season and bagged the limit.

DE MOLAYS ELECT NEW OFFICERS HERE TUESDAY

After remaining inactive during the summer months, the De Molays held their first meeting of the fall last Tuesday night, at which time officers for the coming year were elected. Officers elected are: Herbert Robinson, master counselor; Guy Norwood, senior counselor; Harold Bowman, junior counselor; Robert Williams, scribe.

The new officials announce that an active program will be outlined for the De Molays during the coming fall, and that they are expecting a large attendance at all the meetings.

Former Coach Here.

R. B. Galbraith, former coach and manual training teacher at the local high school, and wife, are here for a visit after spending the summer in Washington, Mo., and Tulsa. They are en route to Naogdoches, where Mr. Galbraith will coach and teach manual training and drawing at the Naogdoches high school.

MANUAL TRAINING ROOMS AT HIGH REMODELED

At a meeting of the Board of Directors of the Vernon City schools at the High School Wednesday morning it was decided to remove the partition between the two rooms just back of the stage of the high school auditorium. Carpenters have started work already.

This will throw the manual training drawing room and shop room into one large room. It was found necessary to make the change because the small shop room would not hold all of the new equipment. The new equipment, including a band saw, and fifteen benches, has arrived and is being installed.

MISS RANDELL INJURED IN CAR ACCIDENT

Miss Alice Randell, of Farmers Valley, was painfully injured Monday night while motoring from Amarillo to Chardron when the car in which she and her aunt, Mrs. Ida Klock, and cousin, Miss Thekla Klock, were riding, overturned near Chardron. Although she was unconscious several hours, she is recovering nicely.

Mozelle Pollard left for Wichita Falls Thursday morning after undergoing an operation at a local hospital.

For Sale—Real Estate

FOR SALE—One-half of the following tract of land located two miles west of Chillicothe, Texas: Section 42 and Section 57 and half of section 43. There is no question but we have all been making a mistake by holding too large tracts of land, by so doing we are keeping good nice families from locating on 100 acre tracts. By operating smaller tracts we can make twice as much per acre as we do by trying to run too much. What our county wants to make it a better and richer country is to divide up our land with our neighbors and new comers. Call on Mr. S. P. Fowler, manager of the above said farm, and he will show you. This farm has been used for a good many years as a stock farm, consequently it is in a high state of cultivation. 70-6tc

FOR SALE—I have one of the best sections of land on the Plains near Dimmitt, Castro county. Price \$22.50 per acre. \$2500 cash. Remainder in one to ten years. Be quick if you want best buy in Texas. C. O. Gleaves, Plainview, Texas. 70-6tc

Notice, Sheriff's Sale.

The State of Texas, County of Wilbarger: By virtue of an Order of Sale issued out of the Honorable District Court of Wilbarger County, in the case of H. H. Evans, versus Bertha A. Koch and Albert H. Koch, individually and as the Legal Heirs and Representatives of Benjamin C. Koch, deceased, No. 2861, and to me, as Sheriff, directed and delivered, I will proceed to sell for cash, within the hours prescribed for law for Sheriff's Sales, on the first Tuesday in October, A. D. 1925, if being the 6th day of said month, before the Court House door of said Wilbarger County, in the City of Vernon, the following described property, to-wit:

All that certain tracts, lots or parcels of land lying and situated in the County of Wilbarger, State of Texas, known and described as and being all of Lots No. 3, Three (3) and Four (4) in Block No. Thirty-Five (35) in the Original Town of Vernon, Wilbarger County, Texas, levied on as the property of Bertha A. Koch and Albert H. Koch, individually and as the Legal Heirs and Representatives of Benjamin C. Koch, deceased, to satisfy a judgment amounting to \$2100.00 in favor of H. H. Evans, and costs of suit.

Given by my hand, this 2nd day of September, A. D. 1925.

W. FRANK EDMONSON, Sheriff.

70-4 Fr. By Clyde D. Watts, Deputy.

Citation by Publication.

The State of Texas, County of Wilbarger: You are hereby commanded to summon J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, Mrs. M. R. Stone, M. R. Stone, the unknown heirs of Mrs. Melissa Frances Miller, deceased, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, to appear at the next regular term of the District Court of Wilbarger County, to be held at the Court House thereof, in Vernon, Texas, on the 14th Monday in October, A. D. 1925, then and there to answer First Amended Original petition filed in said Court on the 26th day of June, A. D. 1925, in a suit, numbered on the docket of said Court as No. 3717, wherein F. L. Massey, Plaintiff, and L. A. Matthews, Zibba C. Matthews, Thomas B. Miller, Floyd Wilson, S. E. Smith, G. C. Morris, Mrs. M. R. Stone, M. R. Stone, G. G. Lovelady, W. L. Lovelady, Mrs. M. R. Stone, M. R. Stone, the unknown heirs of Mrs. Melissa Frances Miller, deceased, J. A. Lovelady and J. H. Lovelady are Defendants, and said petition alleges that on or about November 1, 1921, L. A. Matthews and wife, Zibba C. Matthews, executed to G. C. Morris, trustee, a deed of trust in all of section 18S, block B-3, Certificate 15-3308 of the H. & G. N. Ry. Co's. surveys, Armstrong County, Texas, to secure four notes; said notes dated November 1, 1921, all due five years after date, for the sum of \$275.00, \$275.00, \$275.00 and \$275.00 respectively, bearing 10 per cent interest per annum and providing for 10 per cent attorneys' fees, and providing that failure to pay any installment of interest when due will mature the note at the option of the holder, signed by L. A. Matthews and Zibba C. Matthews, payable to F. L. Massey at the office of the Herring National Bank of Vernon, Texas; that by the execution of said notes defendants L. A. Matthews and wife became bound to pay to plaintiff the sum of money in said notes specified together with interest and attorney's fees; that said notes are now due and unpaid and defendants have failed and refused to pay them or any part thereof.

That said notes have been placed in the hands of Berry, Stokes & Kilbough, attorneys, for collection, and plaintiff has contracted to pay them the 10 per cent attorney's fees stipulated in said notes.

That said notes herein sued on were given in extension of part of notes 5, 6, 7, 8 and 9 of the series of 10 notes given by E. C. Cayton, N. Hunter and J. D. Woodburn to Thomas B. Miller, part of the purchase price of section 18S, block B-3, Certificate 15-3308 of the H. & G. N. Ry. Co. surveys, Armstrong County, Texas, as shown by deed dated October 20, 1917, executed by Thomas B. Miller and wife to said E. C. Cayton, N. Hunter and J. D. Woodburn, which notes were assumed by L. A. Matthews as part of the purchase price of said land and a vendor's lien in said land secures said notes.

That G. C. Morris is made party to this suit for the reason that he has been named trustee in said deed of trust, that Thomas B. Miller, Floyd Wilson, S. E. Smith, J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, Mrs. M. R. Stone, M. R. Stone, Mrs. W. A. Vance, the unknown heirs of L. M. Lovelady, deceased, and the unknown heirs of Mrs. Melissa Frances Miller, deceased, be cited by publication, and that he have judgment for his debt, interest, attorney's fees and all costs of suit, and for foreclosure of his lien and the deed of trust lien upon the above described land, and that the lien and claim of Thomas B. Miller, E. C. Smith, Floyd Wilson, J. H. Lovelady, G. G. Lovelady, W. L. Lovelady, J. A. Lovelady, Mrs. M. R. Stone, M. R. Stone, Mrs. W. A. Vance, the unknown heirs of L. M. Lovelady, deceased, and the unknown heirs of Mrs. Melissa Frances Miller, deceased, be held for naught so far as this indebtedness and lien held by plaintiff on this land is concerned, and the claim and lien upon the title to this property by reason of their claim be removed; that the land be decreed to be sold according to law; that the sheriff or other officer executing said order of sale shall place the purchaser of said property sold under said order of sale in possession thereof within thirty days after the day of sale; for such other and further relief, special and general, in law and in equity, that he may be justly entitled to.

Herein Fall Not, and have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Vernon, Texas, this 28th day of August, A. D. 1925.

MRS. J. A. WALKER, Clerk.

**TRAMMEL WINS
OVER BOWMAN****YOUNG RICH DROPS HIS OP-
PONENT IN FOURTH ROUND
TUESDAY NIGHT.**

Duke Trammel of Fort Worth sent Casey Bowman Tulsa, Okla. to the canvass for the count in the second round of the scheduled ten-round main event of the boxing card staged under the auspice of the American Legion in the open air arena at the corner of Texas and Mesquite streets last Tuesday night. Bowman was in no way a match for Trammel. He was on the defensive from the sound of the first going, and was unable to keep Trammel from landing at will, although he was devoting all his time to his defense. He hardly landed a blow of any sort during the bout.

Trammel practiced with his left quite a bit in the bout, before sending the Oklahoma glove-pusher out for the count. Trammel dropped his opponent once in the initial period and once in the second round before sending him down for the count. Each time it was with a clean right to the point of the jaw, unaided by any preparatory blow. That each right to the jaw was a hard blow was plainly visible.

Young Rich, Vernon's coming fist-fide favorite, deposited Skeeter Hance on the canvass for the count of ten in the fourth round of their scheduled eight-round semi-final. Rich is developing somewhat of a right that has a tendency to end the fight all sudden like when it lands on the point of the chin real often, at least it did Tuesday night.

Rich clearly had Hance beaten after the second round of the bout, and it was only a matter of rounds from then on. He dropped Skeeter for the nine count in the middle of the third stanza, and again at the end of the third, both with a right to the point of the chin. The bell was all that saved Skeeter when he went down near the end of the third. The fourth had hardly gotten underway before Rich caught his opponent on the chin with a hard right and stepped out of the way and let his opponent fall face downward. For a few seconds it appeared that Skeeter would rise again, but at the count of five he rolled over on his back and turned an uncertain eye to the moon. It was all over so far as that Skeeter was concerned.

Battling Nelson won the referee's decision over the Rattlesnake Kid in the colored bout, although the Kid presented some peculiar contortions of the face that were evidently calculated to scare Nelson out of the ring. As a boxer the Rattlesnake Kid proved that he was a good face contortionist.

Two interesting bouts were staged by youngsters.

**WILBARGER LOOKS GOOD
AFTER VISIT TO OLD HOME**

J. A. Ammons and family returned Saturday from a month's stay near Tipton, N. C. It had been eighteen years since Mr. and Mrs. Ammons had visited the old home place and they found many changes. The field in which Mr. Ammons had hoed corn years ago was now grown up in tall trees and underbrush. Plots of ground that looked like large farms to him when he left to make his home in Texas, looked like town lots, he says.

It is very dry there, springs, rivers and vegetation are drying up.

The mainstay of the old states is factories in every small town as the land is worn out and too hilly for farming, he said. Mr. Ammons advised his relatives and friends to buy land near the excellent high-ways of the state and engage in truck farming. Roads are fine there and they have been blasted out

of the mountain side, he says. Streams of tourists travel the thoroughfares now.

Mr. Ammons owns a nice farm in the Sherwood community and he is well pleased that eighteen years ago he left the hill sides of his native state and turned his face toward the West and settled in Wilbarger county. Mrs. Ammons also says she would not move back there and the children on their first visit there, unanimously indorse the remarks of their parents.

**In Honor of
the Workers**

Labor Day each year brings anew to the Nation the great part that the mechanics, the farmers, the craftsmen, tradesmen and the millions of other workers play in keeping America in the position of leadership in the world.

Labor Day is a day of tribute to the men and women who do things right and on time! It is not a day for those who dilly-dally, or put off, or give less than their best to the work at hand.

On this Labor Day, we suggest that you give thought to the results of labor—and to the proper safeguarding of a part of what you earn. The complete banking service we offer is already helping many workers to realize their ambitions.

"INDIVIDUAL SERVICE—STANDARD MERCHANDISE"

A 300-pound fish is some fish, but B. Daniel, who, with E. H. Pigg, has just returned from a fishing trip along the Gulf coast at Corpus Christi, Aransas Pass and other points, claims to have caught a fish of that size near Aransas Pass. It was what is known as a Jew fish and Mr. Daniel said it was a hard job and his companions had in landing the water monster. Mr. Daniel had pictures taken of his catch and he promises to show these to friends as evidence of his claims. Local fishermen are saying that this beats any catch that C. S. McCulloch ever made, and the latter will admit that he is some fisherman.

Only one block of paving remains to be laid before the contract with J. P. Foy by the city is complete. Paving concrete on the two blocks on West Texas street was completed yesterday. South Main was opened to traffic last week and Famin Street will be opened within a week or ten days and then a little later it will be possible to open the block on Cumberland between Texas and Olive. Everything is in readiness to begin laying concrete on Peace street between Cumberland and Mesquite. As soon as this work is completed Mr. Foy will move his crew and machinery to Harrold to begin laying concrete on the highway between that place and Electra.

The Vernon Auto company this week received their first consignment of the new 1926 model Buicks. Visitors to the sales rooms have been numerous and Manager Bob Crews is looking forward to a good fall business in his line.

Local headlight testing stations are being over-run with car owners who failed to have their headlights tested and adjusted before the law became effective September 1. Of course, those who operate their cars without first having the lights tested and adjusted are violating the law and are subject to arrest, but officers have been lenient thus far. Arrests, followed by fines will be the lot of those who fail to comply with the law, however, in the future, it is stated.

"Tell the people we'll have one of the best fairs in the history of Vernon," said R. H. Coffee yesterday. He is busy with preparations for the annual fall show and declares that a good string of race horses has been booked and a better list of carnival and midway attractions than has been engaged for a fair here. The catalogues are out and the people interested in making exhibits are urged to call for them.

Crowds Increase Here at Baptist Revival Meeting

Attendance at the revival meeting being held at the local Baptist church appears to be increasing each service. Additional seats have been placed behind those in the big tabernacle and a large part of the crowds are unable to get in the tabernacle.

Rev. W. Y. Bond of Dallas, who has charge of the services during the revival, is proving himself one of the most energetic evangelists ever welcomed to this city. In addition to the morning and evening services held at the church tabernacle, services are held down town each afternoon.

Subjects for the coming services are: Friday night, "The Bed Too Short and the Blanket Too Narrow"; Saturday night, "A Flaming Message for a Freezing World"; Sunday night, "The Greatness of Salvation."

The revival will continue next week.

LIONS TO PLAY MEMPHIS HIGH TEAM DURING FAIR

Arrangements have been made for a football game between the Vernon Lions and the Memphis High school team here on the closing day of the fair. Memphis was a strong contender in the Class B division of the interscholastic league last year, and is expected to give the locals a hot contest this year.

PAULINE MAE CAMPBELL BURIED AT CROWELL

Pauline Mae Campbell, 5, daughter of Mrs. R. H. Duke, died Friday at the home of her parents here, after an illness of several weeks from typhoid fever. Interment took place Sunday at Crowell by the side of her father. She is survived by her mother, stepfather and four brothers.

FIRE INSPECTOR SCORES VERNON IN VISIT HERE

Praises Fire Fighting Equipment, But Says City Should Fight Fires Before They Start—Critiques Conditions in Business Houses.

E. R. Miller, inspector in the State Fire Marshal's Department of Austin, has just completed a survey and inspection of general and individual conditions in regard to fire hazards in Vernon, and he states that he has little praise to offer the citizens of Vernon. His visit was unheralded, and he caught Vernon unawares, inspecting the city at its worst.

Mr. Miller expressed himself as highly gratified at the fire equipment and the efficiency of the fire department in general, yet he said that the system of fire prevention should prevail instead of fire fighting. He pointed out that the city's greatest need was to fight fires before they start.

Conditions in the business houses as well as conditions in the alleys were scored by the inspector. He stated that a great deal of trash and rubbish, dead grass, weeds, boxes and excelsior were noticed in the alleys. He also mentioned the fact that a large quantity of waste oil is poured out in the rear of garages, while in close proximity to a trash fire without any semblance of a safeguard. He stated that considerable gasoline was found in open buckets in garages only awaiting a favorable opportunity to cause a fire or perhaps a conflagration.

The inspector announced the trash burning habit which is in vogue here as one of the greatest fire hazards of the city. He stated that the habit was practiced all over the city, and at all hours, in spite of the fact that it is a violation of the city ordinance.

Mr. Miller stated that he found very few regulation metal trash cans, but in place of these he found numbers of wooden barrels, wooden boxes, or even paper carton boxes in use for trash receptacles.

In general he praised the electric wiring, and conditions relating to it. However, he named a number of defects.

Mr. Miller summed up the situation by saying that the people have lost sight of fire conditions to some extent, perhaps owing to the fact that those matters have not been properly brought to their attention. Vernon at one time enjoyed a good fire record credit of 15 percent on fire rates, the inspector pointed out, and if this record were attained again, it would mean a saving to the people of Vernon of approximately \$15,000 to \$20,000 a year.

Miss Thelma Wells Injured in Auto Crash Here Today

Miss Thelma Wells, oil operator here, and Miss Laura Brady, were painfully bruised about 2 o'clock this afternoon when a car in which they were riding with J. E. Brady struck a curb in an effort to avoid a collision with another car at the intersection of Main and Paradise streets. After examining both young women, physicians stated that neither were seriously injured.

The accident occurred when Mr. Brady jerked his car to the right while going north on Main street in an effort to avoid a car going east on Paradise. The collision was a minor affair, Mr. Brady stated, as the major damages came as a result of his car striking the curb.

AGED MAN DIES AT OKLAUNION YESTERDAY

W. T. Evans, 72, died yesterday at his home on the J. S. Buchanan farm, south of Oklaunion, after a long illness. The body was taken to Bowie today, accompanied by his widow and son, G. M. Evans and interment will be made there. He is survived by his widow and several children.

OLD RESIDENT OF COUNTY DIES IN WASHINGTON

Word was received this week of the death of Tom Nallen, aged resident of the southwest part of the county, at Washington, D. C., last week. Some months ago, in company with his sister, he went there for his health. He was buried there.

INSTITUTE TO OPEN MONDAY

150 TEACHERS OF COUNTY WILL GO TO WICHITA FALLS.

Approximately 150 teachers of Wilbarger County will go to the joint county institute which opens at Wichita Falls Monday, according to L. A. Hodlar, county superintendent. Only about six teachers have been excused from the institute. The coaches of the athletic teams of the county have been excused in order that they may start fall training.

Mrs. H. B. Farrell, primary teacher in Central school of Vernon, is scheduled to take part in the instruction work at the institute. She will have charge of primary instruction.

On the program for the high school department of the institute are a number of the most prominent educators of the state, including S. M. N. Marts, state superintendent of education; Dr. Lindsay Blayney, president of the College of Industrial Arts at Denton; T. H. Shelby, Dean of the Extension Division of Texas University, and A. W. Evans, chief high school supervisor.

All teachers of the counties of Wilbarger, Foard, Wichita, Clay, Archer, Baylor, Cottle and Hardeman are expected to attend. About 1500 teachers are expected.

Local educators have praised the program of discussion offered this year as the subjects to be discussed are those that are of every-day interest to the teacher in the school room. The institute will hold sessions throughout next week.

Vernon Masons to Aid in Dedication of Electra Hall

A number of Vernon Masons have announced their intentions of going to Electra next Wednesday evening to take part in the dedication ceremonies for the new Masonic Hall of that city. State Grand Master Guinn Williams will have charge of the dedication ceremony which will begin at 8:15 o'clock.

Announcement from Electra state that the new hall will be open to the public from 5 to 7 o'clock Wednesday afternoon, during which time talks will be made by prominent Masons of the state.

A large crowd is expected to take part in the dedication ceremonies.

BRYANT GIVEN TWO YEARS IN MURDER TRIAL

Jury Finds Defendant Guilty of Manslaughter After Heated Argument of Attorneys During Night Session—Verdict Returned Wednesday.

David C. Bryant was found guilty of manslaughter and sentenced to two years in the penitentiary by a jury in district court here yesterday morning in the case in which Bryant was on trial in connection with the shooting to death of Harry A. K. Hagen here on January 22. Defense attorneys immediately filed a notice of appeal.

The case was one of the most hotly contested legal battles witnessed in the local court room in some time. Night session was held by the court Wednesday night in order to complete the case. Lawyers of both sides made spirited appeals for their viewpoints. District Attorney John A. Storey, denouncing the whole affair as an exhibition of jamaica ginger. He outlined the case briefly, attacked the veracity of some of the statements that had been made by character witnesses in regard to the dead man, and ended his appeal by asking for "the most severe penalty of all."

Defense attorneys, J. V. Leak and Cecil Storey, centered their appeals on the court's charge, pointing out that it stated that if Bryant thought that Hagen had a knife in his hand when he started toward Bryant just before the fatal shooting, he was not guilty of murder. Defense attorneys also attacked the district attorney's version of the shooting from practically every angle, using the written testimony of the witnesses to refute the statements of the attorney for the state.

Attorneys completed their arguments Wednesday night, and the case went to the jury. The verdict was returned about 10 o'clock Thursday morning.

Testimony introduced indicated that Bryant and Hagen, who had been living in a three-room house together, had disagreed before the evening of the fatal shooting. Some controversy had arisen in regard to a joint grocery account which the two had been keeping. It was brought out, Bryant had made arrangements for other quarters, and went to the house for a trunk just before the fatal shooting, testimony indicated. While Bryant was at the house this disagreement arose over a box of paint or rouge, resulting in the shooting, in which Hagen was killed by a shot in the neck.

In Dallas Hospital Mrs. J. Shirley Cook, who underwent a serious operation at the Baptist hospital, in Dallas Tuesday is reported to be improving and her condition is satisfactory, attending physicians say. Mrs. Cook has been ill for several weeks.

New Departments Are Listed in Catalogue of Fifteenth Annual Fair To Be Mailed Out Today

A number of new departments have been listed in the catalogue of the fifteenth annual fair which has just come off the press. Two departments, textile and culinary, have been discontinued and the money usually given as prizes in those departments has been placed for use in the community exhibits department.

One of the new departments listed this year is that of the home demonstration club, under the control of Miss Emma Gunter, home demonstration agent for this county. September 17, the second day of the fair has been designated as club members day, and all members of county clubs will be admitted free that day on passes signed by Miss Gunter or County Agent P. D. Chaney. In connection with the club, a number of free trips to the Dallas Fair this fall will be given as prizes to club members winning high honors.

The catalogue gives especial emphasis to the community exhibits department. R. M. Fielder, secretary of the local Chamber of Commerce, has charge of this department, and every effort is being made to make the department the largest this year that it has ever been. He reports that the farmers of the county are showing a lively interest in the proposed exhibits. Listed as likely exhibits in the department are: Corn,

DARDEN SELLS CAFE INTEREST

GUS VOLOS RETAINS INTEREST AND WILL BE MANAGER OF LIBERTY.

A deal has been closed here by the terms of which George Darden disposes of his controlling interest in the Liberty Cafe to Loyd Darden, his brother, and George Saffon, chef and cafe owner of Wichita Falls. Gus Volos, who has been part owner with Mr. Darden in the business, retains his interest and will be active manager in the future.

Mr. Darden came here about two years ago from Cisco and purchased a controlling interest in the Liberty from Steve Maryol. He says he has no intention of leaving Vernon, but has not announced any business plans for the future. He admitted, however, that he did not expect to be out of some kind of business in Vernon very long.

The new owners took charge of the business yesterday.

VERNON BOY TRAINING FOR FOOTBALL TEAM

George Goetze left this week for Hollister, Mo., where he will join other recruits in football training camp of Kemper Military college. Goetze will enter Kemper this fall. He and one other student are there from Texas to try for places on the eleven.

LANDRETH MAY ADD HALF MILE SOUTH OF POOL

Well in Section 43, Block 4, Has Good Showing From Deep Pay—Two Humble Holes Are Showing Considerable Oil.

E. A. Landreth's No. 1-A, located in 43, block 4, Waggoner lands, promises to make one of the best extensions to the local fields recorded recently. The well topped the sand at 1827 feet, and has an excellent showing from seven feet of rich sand. The well is located half a mile south of the Dyson producer in the southwest part of section 46, and will add that much to the producing territory of the county. The well struck the sand yesterday morning, and preparations are being made to lower casing and test. It is expected to make a good producer.

Landreth's No. 3-B, located in the northeast quarter of section 52, block 2, bids fair to be a good producer from a sand encountered at 2082 feet.

Humble Oil and Refining company has two wells with excellent showings this week. No. 30 Stephens, located in section 83, block 14, has a hole part way full of oil from a sand encountered at 2361 feet. Bailing has started, and preparations are being made for a test. No. 2-D, located in section 50, block 14, in the Gulf-Levy territory has a good showing from a sand hit at 1768 feet. The company has started bailing, and the well is showing considerable oil.

Atlantic's No. 5 Zipperle has finally been placed on the pump, and is making about 50 barrels from a sand hit at 2360-2386 feet in section 80, block 14. This well was started several months ago, and has had a varied record. It was a small producer from the 1300-foot pay at one time. Later it flooded with water near the 1800-foot level. No. 3 Zipperle is drilling past a last reported depth of 2100 feet and is expected to pick up the 2300-foot staff in a day or two. This well also produced from the shallow pay.

Atlantic's No. 2 Sigler, located in the center of the northwest quarter of section 52, block 2, near the old Sigler discovery well, is reported drilling below a last reported depth of 1200 feet.

Club Girls Will Have Exhibits at County Fair Here

Assurance of a Club Girls exhibit at the county fair which is to be held here September 14-19, has been made by Miss Emma Gunter, home demonstration agent. Miss Gunter has issued a call to all club girls who were enrolled this past year and did any club sewing or canning, asking them to bring articles on which they worked to her office next Saturday, or the following Saturday.

Preparations are being made to label all articles. Girls who have some project started, and need help are advised to ask aid of the home demonstration agent at once in order that everything may be completed before the opening of the fair.

Miss Gunter states that all exhibits will require a record book, giving a short outline of the year's work.

BURGLAR CHOOSES JUDGE'S HOME FOR ROBBERY HERE

A burglar chose the county judge's home on West Wilbarger as the scene of his exploits early Wednesday morning. In keeping with the stories that usually follow a burglar's visit in Vernon, Judge J. V. Townsend missed a pair of trousers. The judge was awakened by the intruder, but the burglar made his escape.

RIG WORKER HURT IN SOUTH VERNON FIELD

Bert Flat, employee of the Humble Oil and Refining Company in the South Vernon field, was seriously injured Tuesday afternoon when struck in the stomach by a jack pole while scrapping a rig. The pole knocked him back against the rig timber and he sustained internal injuries. He was rushed to a local sanitarium where an operation was performed. He is recovering rapidly, physicians state.

DELEGATION OF FARMERS HERE

AGRICULTURALISTS OF SIX COUNTIES SAY WILBARGER HAS BEST CROPS.

Traveling in cars on a sight-seeing tour through several counties, about fifty farmers of Baylor, Stephens, Hardeman, Knox City, and Wichita counties arrived in Vernon at noon Wednesday. They were banqueted here by B. G. Cheney, owner of the Miss Vernon Steam Laundry. They separated for their home counties about 1 o'clock Wednesday afternoon.

The farmers were enthusiastic in their praise of the crops in Wilbarger county. It was generally agreed that this section of the country had the best crops of any visited, in spite of the fact that the farmers had just come from the Wichita irrigated area. Members of the delegation said that the average the irrigated crops were not as good as those seen near Vernon.

The delegation, which included P. D. Chaney, local county agent, and a number of Wilbarger county farmers, inspected the Chillicothe Experiment Station Tuesday and Tuesday night during a visit there. They were entertained by a number of speakers from A.M. College, and other agricultural institutions.

The delegation left Vernon highly praising the hospitality shown them here. In addition to being banqueted by the Miss Vernon Steam Laundry all were given gasoline by Harris' filling station.

County's Initial Bale of Cotton for Year Is Sold

Wilbarger County's first bale of cotton produced by Ernest Karcher of the Hinds Community, and ginned at the Farmers' Cooperative gin here last Tuesday, was bought by Bennett & Long, cotton buyers, for 22 1/4 cents. The bale weighed 583 pounds, bringing \$129.71. A premium expected to total about \$50 will be given by the merchants of Vernon.

This is the smallest price that Wilbarger county's first bale has brought in four years. In 1922, the initial bale sold for 22 1/2 cents per pound, in 1923 it brought 25 cents a pound, in 1924 a peak of 26 cents per pound was reached for the first bale.

DISTRICT MEET OF ROTARIANS OPENS MONDAY

Eighty-Five Delegates From Cities of Forty-First District Expected to Attend—District Governor and International Director To Be Here.

The first official meeting of the new forty-first district of Rotary International will open in Vernon Monday morning at 9 o'clock in the form of a conference of executives. Local Rotarians are expecting about eighty-five visiting officials during the conference.

Walter D. Cline, district governor, will be present and will take an active part in the conference, he has announced. Harry Rogers of San Antonio, international director of Rotary who is heralded as the outstanding figure in the organization today, and who has been mentioned as the next national head, has announced that he will visit Vernon during the convention.

Local Rotarians are planning to make this first meeting of the district one to be remembered. Rotarians from all over the district are showing splendid cooperation, it is stated. One of the features of the convention is the model Rotary luncheon to be given Monday at noon by the Amarillo Club. This club is heralded as the best versed club in the state on etiquette. The Vernon Club will give their regular weekly luncheon on Tuesday.

Automobiles have been secured for the convenience of the visitors who may want to see the oil fields and other points of interest near Vernon. The machines have been placed in charge of Lacy Terrell and Charley Ladd.

Cities which have announced their intention of sending delegates to the conference include Wichita Falls, Lubbock, Amarillo and other leading cities of West Texas. Practically all cities in the northwestern and western portion of the state are planning to send a delegation.

A chuck wagon feed at Hill Crest Country Club Monday evening at 7 o'clock, and dancing at 9 o'clock are other features of the entertainment which will be offered.

Former Pastor Church of Christ to Return Here

Elder Thomas E. Milholland, former pastor of the local Church of Christ has again accepted the pastorate of the church here and his family is moving here from Bartlett this week, according to announcement of members of the congregation. The minister will not assume active duties with the church here until about the middle of October. He is engaged in a meeting at Rochester now and has two more meetings scheduled in Tennessee and Alabama. Mr. Milholland resigned here last summer after serving as pastor two years, and it was with real regret that members of his own congregation and other Vernon citizens saw him leave for his new charge at Bartlett, and he will find a warm welcome awaiting him when he returns.

He preached here about a week ago and at that time the place as pastor was offered to him and was accepted. He is succeeding Elder W. Don Hockaday, who resigned. The minister never disposed of his property here, and will occupy his residence at 1826 Lexington street.

CONFEDERATE VETERAN INJURED HERE WEDNESDAY

W. M. Lawson, aged confederate veteran, was painfully bruised when he was struck by a car late Wednesday afternoon while crossing Wilbarger at the intersection of Main street. A local physician treated the bruises, and announced that the veteran was not seriously hurt.

Hold Family Reunion.

A family reunion, of the Brock family was held in the home of J. W. Brock of Farmers Valley, Sunday. A delicious dinner was served in picnic style to eight brothers and their descendants which numbered 167. The brothers are Marion, of Chillicothe, Wilburn, of Portales, N. M., Albert, of Tennessee, William and Wadsworth of this community, Lee of Vernon, Thomas Brock of Lubbock and another brother of Wheeling county.

William Desmond Here Saturday; 'Roughneck' Next

William Desmond is here tomorrow in his latest romance, the making of a man, "Straight Through," a stirring epic of the entire country, a brave man's struggle among gamblers who knew no law of God or man, save the right of might. Desmond is supported by the dare-devil ranch riders famous for

their break-neck stunts the world over, also Ruth Stonehouse, Marguerite Clayton, Claude Payton, Albert J. Smith and others.

George O'Brien stars here Monday and Tuesday in the "The Roughneck" Robert W. Service's great novel of love, passion and adventure. How an outcast from civilization makes his triumphant climb back up the social ladder assisted by the helping hand of a woman. He is ably assisted by Billy Dove, Harry T. Morey, Cleo Madison, and Annie Cornwall.

Shirley Mason in her latest starring picture, "Scandal Proof," is at

the Pictorium today for a one day run, and is one of the finest performances it has given the star in her long career.

With a highly emotional role, Miss Mason does herself credit and, with the assistance of a capable cast, presents some of the most potent drama that has been seen on local screens.

The story of "Scandal Proof," an original one by Charles Kenyon, is that of a girl who, falsely accused of murder, clears herself with the aid of a man whose love she wins.

If human beings were spoken of in terms of furniture, Marvin Lombach, who is one of the comedians in

Mack Sennett's latest Pathcomedy which is being shown at the Pictorium, might well be described as an over-stuffed model. Marvin, familiarly known as "Fat," weighs considerably more over three hundred pounds than he likes to admit, but nevertheless, is a good natured soul and is the cause of a lot of mirth-provoking incidents to be found in this new Sennett Star Pathcomedy.

Others in the cast include Ralph Graves and Olive Borden. Lloyd Bacon was responsible for the direction.

Rebekahs To Meet.

All members of the local Rebekah lodge are asked to be at the Odd Fellows hall tonight. There will be a special program and refreshments will be served. The contest is becoming interesting now and each night special stunts are given by members of opposing teams.

Mrs. Stella Hodges and son, John Henry, have returned from Denton, where Mrs. Hodges has been attending the North Texas Teachers' college.

Electra District Fair To Be Held September 15-19

Plans have all been completed for the Electra District Fair which will be held in Electra September 15-19, according to announcements from Electra. The fair will include five days of running races - with purses totaling \$5,000 and \$1,500 in prize awards for numerous agricultural exhibits.

Two new exhibit buildings are now under construction at the W. T. Waggoner Estate race track, and are now nearing completion. One of these will be used exclusively for the showing of stock and the other will be devoted to the agricultural and miscellaneous exhibits.

Special invitations have been extended to the farmers and stockmen of Wichita, Wilbarger, Baylor, Archer and Clay counties, announcements state.

The races which will be held in connection with the fair will be larger than the opening races which were held in Electra the first part of July, officials state. Larger purses have been offered and already keen interest has been shown by the owners of race horses in the southwest.

WICHITA CASE UP FOR MONDAY

LINDLEY GIVEN TWO YEARS
THURSDAY ON FORGERY
CHARGE HERE.

The case of the State vs. C. M. Wagner, which is set for trial here Monday, in which the former policeman of Wichita Falls is charged with murder in connection with the killing of John W. Webb, is attracting considerable attention here. A number of out of town attorneys are coming to Vernon to take part in the trial.

The firm of Davenport, Cummings and Crain of Wichita Falls will assist E. H. Gilson, local lawyer, in the defense. J. V. Alfred of Wichita Falls will be lined up with District Attorney John Storey in the prosecution.

This case was transferred here from Wichita Falls. A special venire of seventy-two men has been called for the jury.

In court this week, Earle Lindley was found guilty of forgery and sentenced to two years in the penitentiary. He was tried for forging a check for one dollar.

The case of the State vs. Idella Young in which the defendant is charged with the murder of Lucy Watkins has been continued.

MRS. MOORE HOSTESS TO AVALON BRIDGE CLUB

Mrs. M. J. Moore of Main street was hostess Tuesday afternoon to members of the Avalon Bridge club and other guests at the first meeting of the season.

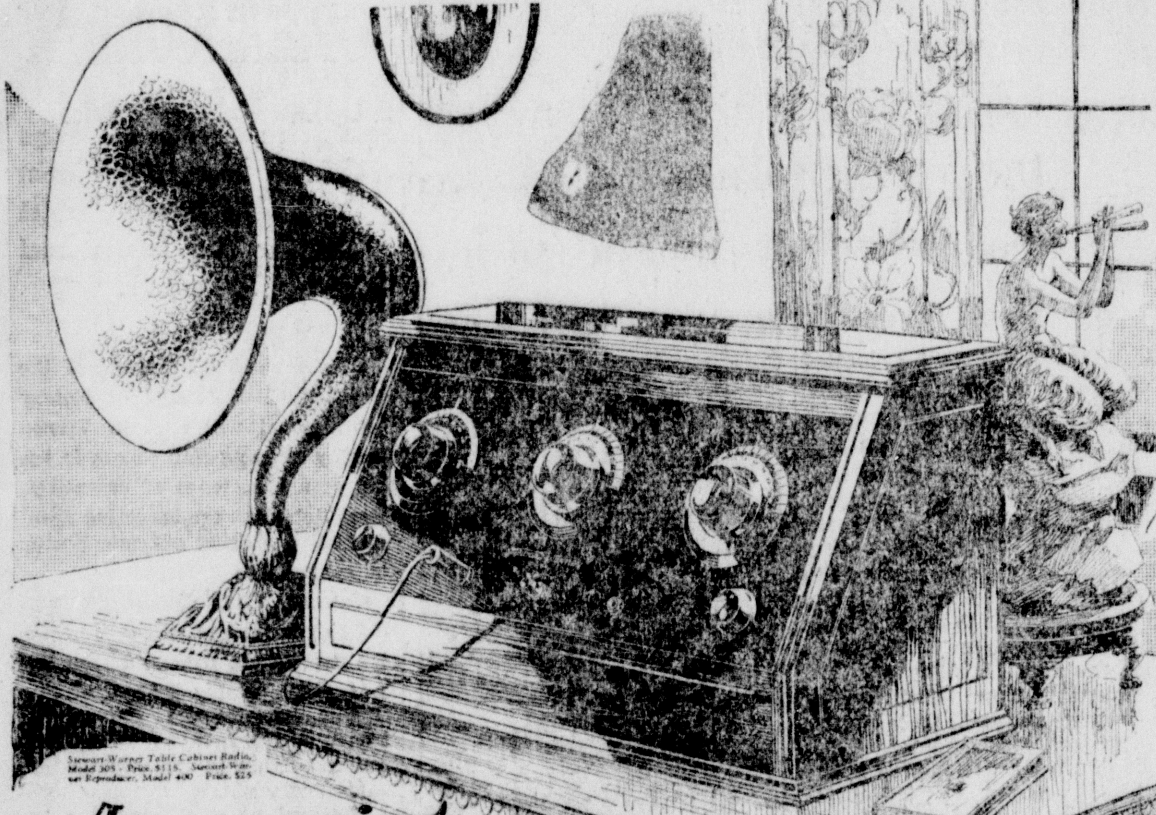

Three tables were played and Mrs. W. R. Moore won high score and was given a wall vase. Low score prize, a score pad, was won by Mrs. S. A. White.

Miss Ruby Seals and Dallas Man Marry Saturday

Miss Ruby Seals, former Vernon girl, and J. D. Pittman, both of Dallas, were married Saturday in Dallas by Dr. Williams of the Grace Methodist church. The bride is a daughter of Mr. and Mrs. J. A. Seals and attended the local high school and is a graduate of a busi-

ness school in Dallas.

Mr. Pittman has his degree from Texas University and is a traveling salesman for a large flouring mill at Wichita, Kansas. They will make their home in Dallas.

Mrs. C. B. McCulloch and Mrs. A. C. Beger spent Wednesday in Wichita Falls.

Mrs. Frank D. Wilson left last week for a visit with relatives at Sioux City, Iowa.

Miss Sherrill and Dudley T. Wynn Marry in Dallas

Friends were surprised when announcement came yesterday of the marriage of Miss Thelma Louise Sherrill to Mr. Dudley Taylor Wynn of Commerce, in Dallas, Thursday morning, September 3, at 9 o'clock. Dr. Perrin of Westminster Presbyterian Church performed the ceremony.

Mrs. Wynn is the daughter of Mr.

and Mrs. R. B. Sherrill, prominent Vernon residents. She graduated from the local high school and attended Southern Methodist University in Dallas where she specialized in piano, pipe organ and expression. There she belonged to Zeta Phi Eta, an honorary oratorical sorority, and Lambda Rho, a social sorority. Last year she studied in New York City.

In Vernon, Mrs. Wynn has always taken an active part in religious and social life. She is a member of the Musician's club and the Dramatic club; for several years she was organist at the First Presbyterian church.

Mr. Wynn is a son of Mr. and Mrs. H. D. Wynn of Commerce, and the nephew of Mrs. M. K. Boyd of Vernon. His father is president of the Citizens' National Bank of Commerce.

Mr. Wynn attended the East Texas State Teacher College at Commerce. This June he was graduated from the University of Texas with an A. B. degree. When in the University he was a member of the Loughorn band and an oratorical fraternity.

Mr. and Mrs. Wynn will spend the winter in Jefferson, where Mr. Wynn is head of the English Department of Jefferson High school.

G. W. Richardson and family have returned from an extended visit in the New England states. This is Mr. Richardson's first visit back to Lowell, Mass., in seventeen years. They had a delightful summer and found it cool enough to wear heavy coats. Some of the time was spent in the mountains and they made trips in Vermont, Massachusetts and Maine. Mrs. Richardson's daughter, Miss Cora May Baughn, spent the summer with relatives in Sweetwater and they all made a trip to Colorado.

C. V. King and Earl King left Wednesday for Dallas, where the latter is having a new truck coupe delivered. They will drive through.

POWER COMPANY ISSUES LARGE BOOSTER PAMPHLET

Southwestern Light and Power company recently issued a booster pamphlet entitled "Treasures of the Great Southwest," containing authentic information about the counties served by the company. The counties covered are: Hardeman, Clay, Wilbarger and Wichita in Texas, and Comanche, Cotton, Greer, Harmon, Jackson, Jefferson, Kiowa, Stephens, and Tillman in Oklahoma. Description of each county and of each town and city in these counties are given, pointing out the agricultural production, railroad and highway facilities, soil structure, rainfall, valuation of crops of the counties, and the public improvements, industrial institutions, and opportunities in the various cities. Particular emphasis is given to the Wilbarger county oil field.

Community Ice Cream Supper. An invitation is being extended to folks interested in the new Northside community house to come to an ice cream supper, which is to be given there tonight. The new Community home is near the Frisco round house and the supper is being given to raise funds for fixtures and other things for the house. Everyone is invited.

Charlie Simpson of Chillicothe underwent an operation at a local sanitarium Wednesday.

Styles Feature Church Note

By Peggy Paige

THIS year is Holy Year in Rome and its influence is going to stretch out across the sea, straight into your Fall wardrobe. In fact, almost every change in style can be traced to the influence of current events of unusual interest to the public.

Pilgrims from the four corners of the earth are visiting the Holy City this year to attend the numberless ceremonies arranged by the Church at the three Basilicas and the opening of the door of St. Peter's with the golden hammer—a ceremony which takes place but once in a hundred years. As a result of the world-wide interest in these ceremonies, there is a distinct Church note in Fashions for early Fall—"Cardinal" red, "Bishop" and "Pontiff" purple, the "Habit" brown of the monk's robe, and the popular new "Blue Pencil," the same blue that shades the robes of the Blue Sisters, whose beautiful little church stands at the top of the Spanish Steps in Rome.

Also, there's a "churchy" influence in sleeves—the loose pontifical sleeve with its tight, narrow cuff; and the wide, flowing sleeve of the bishop's robe. Yes, you're going to be a bit "Churchy" this Fall.

BACK THE FOOTBALL TEAM.

Within a few days the lads who will be candidates for positions on Vernon high school's football team will begin working out in preparation for another great year under the red and white colors of the Lions. Vernon's gridiron hopes have been rising steadily for the past several years. Each year a better team has been put in the field than its predecessor, until last year the Lions were eliminated only by the state champions.

Every way of judging relative strength of teams indicates that Vernon had second best high school team in Texas in 1924. So if the standard of getting a little stronger team is maintained this year, a state championship is not too much to expect of the local lads.

But there are many things that go to make up a winning football team. There must be good material for the team itself. There must be competent coaching. The Record believes we are already assured of these. Most of our old men are back for this year. Our coaches have the experiences of last year to help them to strengthen the weak spots in the team. In addition to this they have spent practically the entire summer vacation studying under some of the greatest coaches in America. They ought to bring a lot of new ideas into play this year in their efforts to bring a state championship to Vernon.

One of the greatest factors, though, in turning out a winning team is school and town support. Every citizen of Vernon can help the Lions win this year. This can be done in many ways. A friendly word of encouragement to candidates for places on the team will help. Many of the local high school boys have to work outside of school hours to help pay their expenses. Business men can help the team by giving preference to those who work out.

side of school hours to help pay expenses. Another important factor is attendance at the games. Everybody who possibly can should attend every game played. The athletic council can help stimulate attendance by providing seats for patrons at games played at home. There are many loyal fans who balk at standing for two hours, oftentimes in muddy ground, to root for the home team. If Vernon gets off to a good start we ought to have a number of important games played here. Good business would seem to dictate that seats ought to be provided.

FAIR PLANS MOVE FORWARD.

There is cause for congratulation that a group of progressive citizens in the Chamber of Commerce and the Fair Association have arranged for staging the annual county fair this year. The only possible fault that could be found is with the tardiness in getting definite plans formulated but this can be converted into an advantage.

Often a good job is not obtained because of the opinion that there is ample time to do it. It is not infrequently the case that the very shortness of the time allotted for a task gets results because there is no time to waste and no opportunity is afforded to forget or to postpone. Plans are about as well matured, even with the late start, as they ordinarily are two weeks in advance of the opening of the fair.

A good string of race horses have been secured to fill this important feature of a county fair. Carnival and midway attractions, better than usually available, have been booked. The adverse conditions in Central and South Texas and the consequent cancellation of several county fairs in those sections have worked to the advantage of this section in the matter of securing attractions on favorable terms.

Carnival companies are eagerly seeking dates in the more prosperous counties of Northwest Texas, and there was no difficulty experienced in securing desirable attractions of this sort. In fact, two companies are combining their shows for the Wilbarger County Fair and fair visitors will be offered a greater variety of amusement features than has been provided at any previous fair in this county.

The agricultural exhibits will be more attractive this year, it is believed. Failure to offer prizes last year for community exhibits robbed the fair of one of its most popular attractions. Liberal prizes are being offered and there is every reason to believe that we will have one of the greatest fairs in the history of the county.

Mrs. Betty Moorhead and children, who have been spending the summer at Beeville, with relatives, returned home Saturday. They were accompanied by Ernest Leverett and family, who will make their home here.

Miss Veda Huddleston left Wednesday for Weslaco in the Rio Grande Valley where she will teach school this winter.

Mrs. W. B. Howell and children are visiting relatives in Memphis.

P. E. Clark of Southland is visiting his father, Rev. O. P. Clark, Mr. Clark will attend Southern Methodist University at Dallas this year.

Mrs. H. K. Greer and daughters, Miss Frances, and Mrs. Annie Scott, and daughter, Minnie Frances, and Mrs. W. M. Crenshaw and granddaughter, Miss Lenna Lethel Fisher, will return today from Colorado, where they have been spending the summer.

Mr. and Mrs. S. E. Honaker and children have returned from Panhandle, where they spent the summer.

Mr. and Mrs. A. A. Honaker returned recently from Redonda Beach, Calif., where they have been for several weeks.

Mrs. J. D. Linton, who recently underwent a serious operation at a local hospital, is resting nicely and will recover.

EASTEST SELLING CAR
of all the One-Profits Studebakers

INCREASED volume of sales—founded on Studebaker's policies of one-profit manufacture, and no yearly models—made it possible to reduce the price of this Standard Six Coach by \$100.

Already a wonderful value—a leader of the line—the lowest priced closed car ever sold by Studebaker—its previous low price has been cut one hundred dollars.

Many of the superiorities of this one-profit Coach are hidden until revealed by thousands of miles of usage. You can't see the fine workmanship and materials inside the engine and body which gives excess mileage. But here are some things that you can check against competitive cars to satisfy yourself that this is a Studebaker of the same fine quality as before the price cut—a Studebaker more up to date than the newest yearly models.

EXCESS POWER—According to rating of National Automobile Chamber of Commerce, this is the most powerful car of its size and weight.

WOOL UPHOLSTERY—Durable.

INSTRUMENTS—Including 8-day clock, gasoline gauge, speedometer, oil pressure gauge and ammeter, in single grouping under glass, on beautiful silver-faced dial.

FULL-SIZE BALLOON TIRES—For which the steering gear, fenders and even the body lines are specially designed.

AUTOMATIC SPARK CONTROL—No spark lever on steering wheel, but:

SAFETY LIGHTING CONTROL—On the steering wheel, at the driver's finger tips.

IMPROVED ONE-PIECE WINDSHIELD—Automatic windshield cleaner, weatherproof visor, rear-view mirror, attractive cowl lights and cowl ventilator.

CO-INCIDENTAL LOCK—To ignition and steering wheel, which serves to reduce the theft insurance rates—single key operates this lock as well as that on the door and the clever device on the spare-tire carrier.

COMPLETELY MACHINED CRANK-SHAFT—To obtain perfect engine balance and thus reduce vibration to a minimum.

There are only two cars manufactured on the one-profit basis: Studebaker in the fine car field, and the Ford in the low priced field. Only in these two cases does one company in its own plants make all bodies, all engines, all clutches, steering gears, differentials, springs, gear sets, gray iron castings and drop forgings.

Come in and see this coach. You will find it the same fine car as before the price reduction.

Miss Lacy Bomar Becomes Bride of Elbert Kimble

Miss Lacy Moore Bomar and Elbert Kimble, both of Vernon, were married Saturday in Chillicothe. Rev. Mr. Moore performed the ceremony at his home, there.

The bride is a daughter of Mr. and Mrs. Jim Bomar of Vernon and is a graduate of the local high school, class of 1925.

Mr. Kimble has lived here but a short time, and is in the employ of the Ray-Massie Oil company.
Mr. and Mrs. Kimble are now at home at 2312 Mesquite street.

MEETING OF NEGROES TO BE POSTPONED

The meeting scheduled by the negro Baptists to be held Friday night at the Court house has been indefinitely postponed, because the singer will not arrive, according to the pastor, Rev. W. W. White and Rev. J. W. Bailey, field superintendent. They had received the endorsement of a number of the leading citizens of Vernon, who were interested in seeing that a negro church be built. The negroes had

pledged that \$1,000 would be laid on the table that night at the meeting.

The pastor and the superintendent have the following to say:

"The meeting at the court house for Friday night has been called off on account of not being able to get our singer here.

Rev. J. W. Bailey will preach his farewell sermon Friday night at the First Colored Baptist church at 8 o'clock. We hope to lay on the table our \$1,000 for our new church, just the same.

"We urge our white and colored friends to come and help us out. We are having open air services this week and reaching many people. We thank the County and District judge and the Commissioners Court for the use of the court house last Sunday afternoon."

M. E. Young underwent an operation at a Vernon sanitarium Wednesday.

REPORT RAIDS OF LEAF WORMS

PESTS APPEAR IN FIELDS NEAR VERNON IN LARGE NUMBERS.

Reports from farmers in the Vernon vicinity indicate that leaf worms are appearing in the cotton fields in great numbers. They have been noticed in low lands in prac-

tically all directions from Vernon. Farmers in the outlying communities of the county say that no sign of the pests have been found yet. Preparations have been made here for an immediate and determined fight on the pests. A car of calcium arsenic has been ordered and is expected here momentarily. After visiting a number of farms near Vernon, R. M. Fielder, secretary of the local Chamber of Commerce, stated that he felt certain that the inroads of the pests could be stopped. P. D. Chaney, county agent, after inspecting a number of fields in which the worms have been working, expressed the same opinion, saying that if the arsenic arriv-

ed soon the pests could be placed under control. He stated, however, that all farmers should be on the alert, and ready to fight the pests at the first sign of their appearance. He advised farmers to use the arsenic sparingly as it is hard to obtain at this time of year. Mr. Chaney said that farmers could rid their acreage of the worm at a cost of forty cents an acre in addition to their work with the calcium arsenic. He advised against using other poison.

METHODIST TRAINING SCHOOL DRAWS ATTENTION

Quite a bit of interest is being manifested in the Methodist training for Sunday school workers for the Vernon district which is to open at the local church, with registration next Sunday afternoon at 3 o'clock. Classes for the school have been organized and subjects announced. These are: Organization and administration of the Sunday school; learning and teaching the people; missionary message of the Bible; life and letters of Paul.

DE MOLAYS ELECT NEW OFFICERS HERE TUESDAY

After remaining inactive during the summer months, the De Molays held their first meeting of the fall last Tuesday night, at which time officers for the coming year were elected. Officers elected are: Herbert Robinson, master counselor; Guy Norwood, senior counselor; Harold Bowman, junior counselor; Robert Williams, scribe. The new officials announced that an active program will be outlined for the De Molays during the coming fall, and that they are expecting a large attendance at all the meetings.

Former Coach Here.

R. B. Galbraith, former coach and manual training teacher at the local high school, and wife, are here for a visit after spending the summer in Washington, Mo., and Tulsa. They are en route to Nacogdoches, where Mr. Galbraith will coach and teach manual training and drawing at the Nacogdoches high school.

MANUAL TRAINING ROOMS AT HIGH REMODELED

At a meeting of the Board of Directors of the Vernon City schools at the High School Wednesday morning it was decided to remove the partition between the two rooms just back of the stage of the high school auditorium. Carpenters have started work already.

This will throw the manual training drawing room and shop room into one large room. It was found necessary to make the change because the small shop room would not hold all of the new equipment. The new equipment, including a hand saw, and fifteen benches, has arrived and is being installed.

MISS RANDELL INJURED IN CAR ACCIDENT

Miss Alice Randell, of Farmers Valley, was painfully injured Monday night while motoring from Amarillo to Clarendon when the car in which she and her aunt, Mrs. Ida Klock, and cousin, Miss Thelma Klock, were riding, overturned near Clarendon. Although she was unconscious several hours, she is recovering nicely.

Mozelle Pollard left for Wichita Falls Thursday morning after undergoing an operation at a local hospital.

For Sale—Real Estate

FOR SALE—One-half of the following tract of land located two miles west of Chillicothe, Texas: Section 42 and Section 57 and half of section 43. There is no question but we have all been making a mistake by holding too large tracts of land, by so doing we are keeping good, nice families from locating on 160 acre tracts. By operating smaller tracts we can make twice as much per acre as we do by trying to run too much. What our county wants to make it a better and richer county is to divide up our land with our neighbors and new comers. Call on Mr. S. P. Fowler, manager of the above said farm, and he will show you. This farm has been used for a good many years as a stock farm, consequently it is in a high state of cultivation. 70-61c

FOR SALE—I have one of the best sections of land on the Plains near Dimmitt, Castro county. Price \$22.50 per acre. \$2500 cash. Remainder in one to ten years. Be quick if you want best buy in Texas. C. O. Gleaves, Plainview, Texas. 11c

FOR SALE—Two room house and one acre block at a bargain. Phone 517-W. 70-31p

I HAVE a few good Willbarger county farms at attractive prices. Also some rare bargains in South Plains lands. See, write or phone J. P. Smith, Odell, Texas. 70-31p

**TRAMMEL WINS
OVER BOWMAN****YOUNG RICH DROPS HIS OP-
PONENT IN FOURTH ROUND
TUESDAY NIGHT.**

Duke Trammel of Fort Worth sent Casey Bowman Tulsa, Okla. to the canvas for the count in the second round of the scheduled ten-round main event of the boxing card staged under the auspices of the American Legion in the open air arena at the corner of Texas and Mesquite streets last Tuesday night. Bowman was in no way a match for Trammel. He was on the defensive from the sound of the first gong, and was unable to keep Trammel from landing at will, although he was devoting all his time to his defense. He hardly landed a blow of any sort during the bout.

Trammel practiced with his left quite a bit in the bout, before sending the Oklahoma glove-pusher out for the count. Trammel dropped his opponent once in the initial period and once in the second round before sending him down for the count. Each time it was with a clean right to the point of the jaw, unaided by any preparatory blow. That each right to the jaw was a hard blow was plainly visible.

Young Rich, Vernon's coming fight favorite, deposited Skeeter Hance on the canvas for the count of ten in the fourth round of their scheduled eight-round semi-final. Rich is developing somewhat of a right that has a tendency to end the fight all sudden like when it lands on the point of the chin real often, at least it did Tuesday night.

Rich clearly had Hance beaten after the second round of the bout, and it was only a matter of rounds from then on. He dropped Skeeter for the nine count in the middle of the third stanza, and again at the end of the third, both with a right to the point of the chin. The bell was all that saved Skeeter when he went down near the end of the third. The fourth had hardly gotten underway before Rich caught his opponent on the chin with a hard right and stepped out of the way and let his opponent fall face downward. For a few seconds it appeared that Skeeter would rise again, but at the count of five he rolled over on his back and turned an uncertain eye to the moon. It was all over so far as that Skeeter was concerned.

Battling Nelson won the referee's decision over the Rattlesnake Kid in the colored bout, although the Kid presented some peculiar contortions of the face that were evidently calculated to scare Nelson out of the ring. As a boxer the Rattlesnake Kid proved that he was a good face contortionist.

Two interesting bouts were staged by youngsters.

**WILBARGER LOOKS GOOD
AFTER VISIT TO OLD HOME**

J. A. Ammons and family returned Saturday from a month's stay near Tipton, N. C. It had been eighteen years since Mr. and Mrs. Ammons had visited the old home place and they found many changes. The field in which Mr. Ammons had hoed corn years ago was now grown up in tall trees and underbrush. Plots of ground that looked like large farms to him when he left to make his home in Texas, looked like town lots, he says.

It is very dry there, springs, rivers and vegetation are drying up.

The mainstay of the old states is factories in every small town as the land is worn out and too hilly for farming, he said. Mr. Ammons advised his relatives and friends to buy land near the excellent high ways of the state and engage in truck farming. Roads are fine there and they have been blasted out

of the mountain side, he says. Streams of tourists travel the thoroughfares now.

Mr. Ammons owns a nice farm in the Sherwood community and he is well pleased that eighteen years ago he left the hill sides of his native state and turned his face toward the West and settled in Wilbarger county. Mrs. Ammons also says she would not move back there and the children on their first visit there, unanimously endorse the remarks of their parents.

**In Honor of
the Workers**

Labor Day each year brings anew to the Nation the great part that the mechanics, the farmers, the craftsmen, tradesmen and the millions of other workers play in keeping America in the position of leadership in the world.

Labor Day is a day of tribute to the men and women who do things right and on time! It is not a day for those who dilly-dally, or put off, or give less than their best to the work at hand.

On this Labor Day, we suggest that you give thought to the results of labor—and to the proper safeguarding of a part of what you earn. The complete banking service we offer is already helping many workers to realize their ambitions.

This Institution will not be open LABOR DAY, Monday, September 7.
